Welcome to Olympic Psychology Services. We administer psychological tests and assessments, and provide counseling and treatment for a wide variety of mental health issues. We provide services for children, teens, adults and families. At OPS we listen to our clients with care and compassion. We utilize a variety of treatment styles based on the latest mental health research, aimed at achieving lasting, effective results.

**We conduct testing and assessments related to:**

- Autism spectrum
- Seizure disorders
- Head injuries
- Academic potential / I.Q.
- Learning disabilities / Independent Education Evaluations
- Personality / mood disorders
- A.D.H.D.
- Developmental disabilities
- Social / emotional functioning
- Pre-surgical evaluations (bariatric, lap-band, spinal cord, etc.)

**We also provide therapy and treatment for:**

- Depression
- Anxiety-related issues such as O.C.D., selective mutism, phobias, and generalized anxiety
- Behavior / parenting issues
- Eating disorders
- Life transition / adjustment issues, such as emerging adulthood, adjustment to parenting, divorce, loss, and grief
- Adjustment / social skills for autism spectrum
- Marriage / relationship counseling
- P.T.S.D.
- Concerns related to sexuality and/or gender identity
- Co-dependency and addiction issues
- General child, teen, adult, and family counseling
