---

Welcome to Olympic Psychology Services. We administer psychological tests and assessments, and provide counseling and treatment for a wide variety of mental health issues. We provide services for children, teens, adults and families. At OPS we listen to our clients with care and compassion. We utilize a variety of treatment styles based on the latest mental health research, aimed at achieving lasting, effective results.

### **We conduct testing and assessments related to:**

- Autism spectrum
- Head injuries and seizure disorders
- Academic potential, IQ, learning disabilities, etc.
- Personality / mood disorders
- Attention problems / hyperactivity (ADHD)
- Developmental differences and/or disabilities
- Social / emotional functioning
- Pre-surgery evaluations (bariatric, spinal, etc.)

### **We also provide therapy and treatment for:**

- Depression
  - Anxiety-related issues such as OCD, selective mutism, phobias, generalized anxiety, etc.
  - Eating disorders
  - Life transition / adjustment issues, such as emerging adulthood, parenting, divorce, loss, grief, etc.
  - Adjustment / social skills for autism spectrum
  - Post-traumatic stress (PTSD)
  - Navigating sexuality and/or gender identity
  - Co-dependency and addiction issues
  - Pain management
  - General counseling for individuals / relationships / families
-
